

HR Tec Computer Technology Center

Your Resource for Meetings, Conferences, and Training

HR Tec's state-of-the-art training and meeting facility is ideally suited for your conferencing, meeting, and training needs. From **workgroup meetings** to **computer training**, the Computer Technology Center (CTC) has the resources and technology you need to accomplish your business goals. The costs and inconveniences of presenting classes or holding meetings in distant off-site locations can present a real challenge. Let the CTC make your experience painless and affordable.

Meeting/Training Room

Break room

No need for computers? Just need to meet? Bring your meeting, workgroup, or conference to the CTC. Its 20 center-facing desks offer a comfortable environment ideally suited for small conferences and workgroups. The CTC's 8-foot high-resolution projection system's huge image and high-end sound system guarantee a slide, DVD, or video presentation with impact. Twin eight-foot whiteboards offer plenty of markup space.

Training and Conferencing Facility

Fully-equipped, state-of-the-art conference/meeting/ computer training room with 8-foot big-screen X VGA projection, 20 computer stations with ergonomically-designed, glass-topped, "look-through" desktops, fast Internet access, huge whiteboards, easels, and a dedicated break room.
